Chee Tor, Dove Dale. Chee Tor rises abruptly from the southern side of Chee Dale, a six hours' walk from Burton. It is an immense limestone crag, apparently clad with foliage about its knees, and its head crowned with green branches. The Wye sweeps by under the shadow of this fine Tor, and here well provides entertainment for the sports of the angler.

Printed in England.

many thanks for
your letter and glad
you received tickets
in time. I have been
at. Limerick so far
this week and there
is plenty to do so
we had little time
there or I should
be written before.
You are loving
him in England.

and advice you will do me good.
